Due to circumstances beyond our control, the ground breaking ceremony planned for April 3 has been postponed indefinitely.

We still plan to break ground this spring, and complete construction by fall.

If you would like to make a financial gift, to help the Wildcat Foundation complete this project debt free, please visit [www.wildcatfoundation.org/campaign](http://www.wildcatfoundation.org/campaign), or call 717.691.4505.

Thank you for your support.
